## INTERNSHIPS

**ByteXL- Parul University** | IT / Computers - Software Trainee 07 May, 2024 - 10 Jun, 2024

**Key Skills:** Data Structures Web Development Python

During this summer internship, I gained hands-on experience in Data Structures and Algorithms (DSA) through practical problem-solving and coding exercises, enhancing my ability to write efficient and optimized code. I developed robust Python applications, leveraging its extensive libraries and frameworks to build scalable solutions. Additionally, I worked on web development projects, creating and maintaining dynamic websites and web applications using HTML, CSS, and JavaScript. This experience allowed me to apply theoretical knowledge in real-world scenarios, improving both my technical skills and problem-solving abilities.
